

PETERSBURG

PETERSBURG PUPILS
TO RECEIVE DIPLOMAS

About Forty Young People Have Completed High School Course.

FINAL EXERCISES THURSDAY

Mayor and Members of Council to Be Elected at Election on Tuesday. Aldermen Meet To-Night.

The Times-Dispatch Bureau, 5 Bollingbrook Street, Petersburg, Va., June 7.

Including the February and June classes, thirty-five or forty graduates of the Petersburg High School will receive diplomas at the closing exercises of the school, to be held in the Academy of Music on Thursday night. And from the thorough course of study it is a great honor to graduate at the Petersburg High School. Its diplomas carry distinction and recommendation everywhere. The honor graduate this year is Miss Martha Frances Drewry. The address to the graduating class will be delivered by Dr. S. C. Mitchell, of Richmond, and there will be a number of other specially interesting features. Every member of the Academy will be occupied on the occasion.

The Municipal Election.

Mayor Cabanis will be re-elected to the office of Mayor at the election on Tuesday, and six Aldermen and twelve Councilmen will be chosen for a term of four years. At the nominating primary held at the school of the present Aldermen and Councilmen, who were candidates for re-election, were defeated by the voters, but the changes are not many. The successful officials will go into office on the 1st of September.

Election of Police.

The terms of the officers and members of the police expire at the end of this month, and an election of the corps by the Board of Police Commissioners will be held at an early day. At the hearing on the 1st of July, four new policemen will be added to the corps, provision therefor being made in the new budget. The police corps has made a splendid record for efficiency and has been thought that any material changes will be made in the personnel of the body.

Meeting of Aldermen.

The June meeting of the Board of Aldermen will be held to-morrow night. The most important matter to come before the body will be the budget for the year 1915, which has been approved by unanimous vote of the Finance Committee and which received the practically unanimous sanction of the Council. The budget for 1915, adopted by the Board on the basis of an estimated income of \$250,000, the budget provides for appropriations aggregating \$381,000, an increase of \$131,000 over the budget of 1914, and an issue of \$500,000 bonds for public improvements.

Hobson on Prohibition.

Congressman Hobson spoke last night in the auditorium of the R. E. Lee Public Building in the interest of prohibition. Considering the fact that it was Saturday night and that his coming was not freely advertised, Mr. Hobson had a large audience, composed in large part of women. The speaker devoted his remarks especially to the evil effects of liquor and presented arguments and statistics to show the disastrous results to mind and body of the use of intoxicants. He had a very attentive audience.

To Consider Exercises.

A meeting of the Hill Camp, Sons of Confederate Veterans, will be held to-morrow night to discuss plans of exercises for the celebration of the centenary anniversary of the battle of the Fratricide, July 20. A meeting is to be called to interest the community in the celebration. The Sons will appoint committees to look after the various proposed features of the celebration. Invitations are to be extended to eminent speakers to deliver addresses at the celebration.

General News Notes.

Mrs. M. W. Miller, of Dinwiddie, was injured by a fall yesterday, dislocating her right knee cap and breaking one of the bones of the right leg.

George C. Armstrong, formerly of Petersburg, now of Roanoke, was married on Thursday to Miss Mary White Graft, daughter of Mr. and Mrs. John P. Graft, of Buckeye, Va. The ceremony was performed in the Methodist Protestant Church, and was a brilliant event. The attendants were Miss Theresa Graft, sister of the bride, as maid of honor, and John Armstrong, of this city, brother of the bridegroom, as best man.

The closing exercises of the Carson High School, located on the border line between Dinwiddie and Prince George Counties, were held on Thursday and Friday evenings, with a very interesting program. Distinctions and promotions were awarded, and the address on Thursday evening was delivered by United States District Attorney H. H. Mann.

Reports from Lieutenant-Colonel William Lassiter, in the hospital at Fort Monroe, are to the effect that he is steadily improving.

CONGRESSMAN MONTAGUE
IS TO SPEAK AT BAZAAR

Will Be Orator at Young Men's Hebrew Association Festival To-Night.

Congressman Andrew Jackson Montague will address the first open-air bazaar of the Young Men's Hebrew Association, which will be given in the court of the headquarters building at 412 North Eighth Street three successive evenings, beginning to-night. Congressman Montague will speak from the platform at the east end of the court, flanked with American banners, and will be presented by Dr. Joseph Bear.

The bazaar committees will place the finishing touches to-day upon the bazaar, which will hold the wares and edibles, the sale of which is counted upon to yield enough profit to reduce materially the Y. M. H. A. expenses. Merchants and manufacturers have responded liberally to the request for donations, and the offerings to-night will embrace very nearly everything edible and much that is worn and used in the household. There will be a Japanese booth with geisha girls in the role of saleswomen, and a gypsy booth, where the curious will be given maps of the future—maps that include the River of Doubt—at a nominal cost. There will be a number of free features. An orchestra will play from 8:30 o'clock until 11:30 o'clock every evening, and amateurs will present a vaudeville bill of several singing, dancing and black-face acts. One of the big features will be an exposition of the modern society dances by six little girls, medalists of Miss Traylor's school for dancing.

Labor Man to Address Ministers.

H. P. Colvin, secretary of the State Federation of Labor, will make an address before the Ministerial Union of Richmond and vicinity at the Central Y. M. C. A. building this morning at 11:30 o'clock on the subject of "The Workingman and the Church."

RICHMOND COLLEGE

HOLDS ITS FINALS

Rev. James H. Franklin, of Boston, Delivers Baccalaureate Sermon.

PLANT IVY AT NEW COLLEGE

Congressman Montague to Make Commencement Address Wednesday Morning.

Commencement exercises of Richmond College were officially begun last night when Rev. James H. Franklin, D. D., of Boston, delivered the baccalaureate sermon to graduates of the last class which will be sent from the present Richmond College, in the college chapel. The chapel was crowded to the very doors when the graduates, following the faculty and all wearing academic cap and gown, entered the chapel. A highest degree of order and decorum prevailed. The faculty took seats on the platform, while the first rows of seats had been reserved for the graduates.

There has seldom been heard in this city a more scholarly or more comprehensive sermon than that preached last night by Dr. Franklin. Developing the idea of the sacrificial life as the means to a highest degree of morality and showing by numerous instances that it is better to die for some great cause than to live for a hundred years the life of a parasite, he reached the heart of his hearers when, in conclusion, he charged the graduates that they must bear their part of the world's burden, whether it be suffering or sorrow, if they are to make their life worth while, and advised them to render their lives to God if they found that their walks in life were beset with pain and hardship.

RELIGION NECESSARY TO SUCCESSFUL LIFE

"People of the present day often place so much thought and effort toward securing for themselves a life in the world to come that they forget Christ did not come here to insure that a few might reach that higher and better life, but that life came in order to save the life of the world. That religion is necessary to make a life successful is a recognized truth," said Dr. Franklin, in the course of his address. He recognized the fact that humanity must have religion to attain the highest moral life. No man can live a moral life without the aid of religion. "This is the most religious of any age in the history of the world. It is true that there is more education and more intellectual knowledge of God, but still we are not as completely satisfied as were our fathers. Time was when the study of the sciences was thought to bring a distrust for God, but now it requires a far greater faith in God if one is to pursue studies in the sciences. The study makes us realize that man is a religious being, and that a child in born into the world with religious instincts, in spite of the theory held a few years ago.

"Modern Christianity possesses a fearful weakness, in that it is too easy. We do not suffer enough for Christ. Christ did not mean that the cross should be kept over before us on the end of gold chains, or church spires and pulpits. He meant that it should be the very center of hearts. It is the symbol of sacrificial service, the instrument of personal salvation."

GOD TO BE FOUND IN HEART OF HUMANITY

"Many of you who are before me will be scientists probably, and I promise you that I am not a scientist. I am a Christian. I am a man who believes in God. I am a man who believes in the fact that you if your facts do not agree with our theories. We will fight you to the last, and then years after will be monuments to your memory. That is the duty of all fathers and mothers. There is no man who stands up and great truth who does not suffer. All progress is due to the fact that some have suffered and died. It is not true that we need more manuscripts, telling of Christ, in order to attain a higher religion and state of morality; we need to look into the hearts of humanity who give us the light. You must take your part in life, and in accordance with the law of life you must pay the price, and as you come to be crucified for Christ, just so will your lives be fruitful."

The invocation was by Dr. Charles H. Ryland, Rev. W. C. James, pastor of Grove Avenue Baptist Church, read the Scriptures; prayer was led by Rev. T. J. Skinner, D. D., and the benediction was pronounced by Dr. James Nelson. Special music had been arranged for the service.

During the service Dr. Boatwright called attention to the program for the commencement exercises during the remainder of the week. He announced that visitors were especially invited to attend the ivy planting at Westchapel, to-day, and to inspect the buildings there. Spectators are to leave Lombardy and Broad Streets at 10 o'clock. The men's dormitories will be open for inspection at 10:30 o'clock, other buildings will be open at 11, and the ivy planting, of which the senior class will have charge, will take place at 11:30 o'clock.

At 5 o'clock this afternoon the seniors will give their annual class reception, and at 8:15 o'clock the orations and class history will be read.

Mills Wins Damages Suit.

The suit of N. Thomas Mills against Morgan R. Mills, tried Saturday in the Law and Equity Court, resulted in a verdict for the defendant, Mr. Mosby, an attorney at law, said Captain Mills for \$1,000 claimed as attorney's fees. Captain Mills contested the claim, and on presentation of the case to the jury, the verdict was in his favor.

Arrest Alleged Forfeiter.

Andrew Bigger, thirty years old, was arrested yesterday morning by Detective-Sergeant C. H. Atkinson, charged with being a suspicious character, suspected of violating the white slave law of the State. At the same time Sergeant Atkinson took into custody Jessie Bigger, alleged to be the wife of the accused.

WILL CARRY CASE
TO SUPREME COURT

John Armstrong Chaloner Announces Employment of George Gordon Battle.

QUOTES OPINION OF 1908

Says Court of Appeals Has Reversed Itself on Question of Jurisdiction. Had No Legal Notice.

Undaunted by the action of the United States Circuit Court of Appeals of New York in affirming the decision of Judge George C. Holt, of the United States District Court for the Southern District of New York, John Armstrong Chaloner announced last night that he had retained George Gordon Battle, of the law firm of O'Gorman, Battle & Vandiver, of New York, to carry the case on to the United States Supreme Court. Mr. Chaloner said that he was glad to have an opportunity of settling the question of jurisdiction before going into a hearing of the case on its merits.

Mr. Chaloner, whose famous fight to regain his fortune has had wide publicity through the regular circumstances of his having been declared legally insane in New York and legally sane in Virginia, is suing Thomas T. Sherman, appointed a commissioner of Chaloner's person in 1901 in the Federal Court. Judge Holt decided that he did not have jurisdiction, and this is upheld by the Circuit Court of Appeals, which held in effect that the case should properly be heard before the New York State courts. Mr. Chaloner said last night that he had an appeal as of right to the Supreme Court, and that in making that appeal he proposed to show that the Circuit Court has reversed itself.

CLAIMS COURT HAS REVERSED ITSELF

In 1908, when Mr. Chaloner was petitioning for protection while engaged in prosecuting his legal affairs in New York, the same court of appeals held: "The Constitution of the United States vests in the judicial department jurisdiction over controversies between citizens of different States. The petitioner as a citizen of the State of Virginia, in bringing his suit into the Circuit Court of the United States was availing himself of a right founded upon this constitutional provision. And he came into that court with a decree of the court of the State which he was a citizen, declaring his sanity. We cannot disregard that decree. In considering it we do not ignore the orders of the courts of New York. Insanity is not necessarily permanent. For the purpose of this petition—laying aside judicial questions—we may properly consider that the petitioner was insane when so declared in New York, but that he had recovered his sanity when he was declared sane in Virginia."

CLAIMS HE HAD NO LEGAL NOTICE

Upon the merits of his case Mr. Chaloner said last night that he depended largely on a decision of the United States Supreme Court, known as the Windsor case, 277 U. S., in which the court held, "Until notice is given, the court has no jurisdiction in any case to proceed to judgment, whatever its authority may be, by the laws of its organization, over the subject matter. But notice is only for the purpose of affording the party an opportunity of being heard upon the claim or the charges made. It is a summons to him to appear and to speak, if he has anything to say, his judgment should not be rendered. A denial to a party of the benefit of notice would be in effect to deny that he is entitled to notice at all, and the sham and deceptive proceedings had better be omitted altogether."

Mr. Chaloner claims that he was railroaded into Bloomingdale asylum without any notice or proper hearing, and that while ill and without notice or opportunity to protect his interests, proceedings were had to appoint trustees to take over the care and custody of his property.

The court that decided it had jurisdiction in 1908, Mr. Chaloner said, was composed of Judges Lacombe, Cox and Noyes. Judge Lacombe is now in Europe, and the only judge now sitting who was on the bench in 1908 is Judge Cox. The other appellate judges were Judges Rogers and Mayer.

NO BOYCOTT BY CHURCH

But Catholics Do Recent Appointment of Nathan as Fair Commissioner. (Special to The Times-Dispatch.)

New York, June 7.—Monsignor Lavigne, rector of St. Patrick's Cathedral and vicar-general of the New York diocese of the Catholic Church, stated positively to-day that the church would pass no official boycott against the San Francisco Exposition. "The whole contention," said Monsignor Lavigne, "hinges on the appointment of Ernesto Nathan, former Mayor of Rome, as royal commissioner to take charge of the exposition. The church does not consider the appointment of this man, to put it mildly, was a thing which our church never desired. Italy is a Catholic country, and its faith has shown no more bitter enemy than Signor Nathan. His appointment was an insult to the Catholics in this country. We should not have objected to a non-Catholic, but we were disappointed to see such an opponent appointed."

NEGRO SERIOUSLY CUT
IN STREET FIGHT

One Stabs Another in Dispute Over Small Sum of Money.

IN CRITICAL CONDITION

Assailant Is Placed Under Arrest and Held Without Bail—Negro Man Falls From Train.

In a dispute over money, it is alleged, Willie Hill, colored, twenty-six years old, attacked and severely wounded Melvin Walker, twenty-one years old, with a knife, near the corner of Brook Avenue and Clay Street, yesterday afternoon at 6 o'clock. Walker was rushed to the City Hospital, where he is reported to be in a critical condition, while his assailant was placed under arrest, and is being held without bail at the Second Station.

The trouble started, it is said, in a house near where the attack took place. The men disputed over a small sum for some time, and finally both left for home. On the street the quarrel was renewed and Hill drew a knife, which was plunged into Walker's shoulders, inflicting a gash two and one-half inches long. Only the prompt arrival of the City Hospital ambulance, which charged Dr. Stivers, prevented the man from bleeding to death. Hill was placed under arrest by Bicycle Officer Leary.

An accident, which came near ending in a fatality, occurred early yesterday morning when Florence Latty, a negro man, fell from a Southern Railway train near Twenty-eighth and Dock Streets. The muscles of his back were severely lacerated, and one rib so badly shattered that it had to be removed. The lung was slightly injured, and is expected to die, but rallied, and now has a slight chance to recover.

ANNUAL MEETING

Business Men's Club to Elect Five Directors by Ballot To-Day.

The annual meeting of the Business Men's Club, at which the report of the president will be heard and five new directors will be elected for the regular three-year term of office, will be held in the clubroom at 2:30 o'clock this afternoon. Voting for the new directors will be permitted from 8 o'clock until 2:30 o'clock in the afternoon.

Circular letters sent club members by President Alvin M. Smith impress upon them the necessity of giving careful consideration to the selection of directors who will conduct the business of the club in a tactful manner, in order that substantial good may be accomplished. All members have been urged to attend the meeting or to return the signed ballots if they find it impossible to be present.

The directors who hold over are Thomas P. Bryan, B. T. Johnson, Charles E. Straus, Jr., Edmund Struwick, W. T. Reed, Amos M. Gover, Julian Winford, Jr., Robert S. Christian, John Landstreet and R. H. Harwood.

Negro Annuls and Hobbed.

Gabriel Iverson reported yesterday to the police that he had been assaulted by two negro men near his home, 106 1-2 St. James Street, and relieved of \$8 in cash and a pocket knife. His assailants, he said, were probably men with whom he was gambling Saturday night at 211 1-2 Duval Street.
